Old City Park Saturday the 18th Starts about Noon - ends ??? You can come earlier as we have the park for all day.

Chicken and ribs will be provided at Saturday's meal

Food and drinks will be provided at the Saturday picnic, but those who can, please bring your favorite salad or dessert

DON'T FORGET SOMETHING FOR THE AUCTION and your money to purchase tickets. Always some great crafts, arts, etc. The auction helps with the food and drink for the next reunion.

Many of the family use the internet to make their motel reservations (the first web-site listed). If you haven't done so you need to do it soon.

Mothers with young children may want to bring a second set of clothes. There's water to play in (not swim)

There is a large area for volleyball, horseshoe pits or whatever. If you have a favorite game or activity, bring it on.

Please bring any updates you have for your family line for the last several years. (births, deaths, marriages, divorces; places and dates) We want to make sure that everyone is added. Teri did a family book a couple of years ago, for the last reunion. We'd like to do an addition to that book, maybe for the next reunion in 2007. How about some old family pictures, you have any great ones? Please bring copies of those.

On the map, you'll see a star for the Old City Park and also Aunt Alice and Uncle Al's place
